Weeping willow

This tree can grow up to 50ft tall. That's as tall as 4 double decker buses on top of each other.

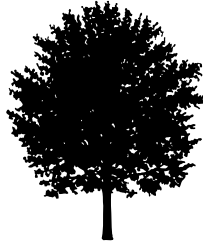

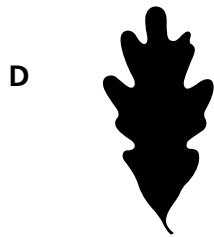

Alder

Young trees grow very fast, up to half a meter a season.

Ash

Amazingly this tree can live for up to 300 years.

Field maple

Maple wood is used for craftwork and also for making violins.

Pine

Squirrels love to snack on the seeds found in pine cones.

Oak

A mature oak tree drinks over 50 gallons of water every day.
